

Name of the Department : Tashreeh-ul-Badan

About the Department:

Tashreeh-ul-badan is a basic subject of Tibb-e-Unani. It is studied in 1st Year of BUMS Degree Course. It is a very important subject for Unani Scholars. All the Professional of Medical Science requires more or less basic knowledge of Tashreeh-ul-badan (Anatomy). Tashreeh means structure and badan means body. The science which deals with the structure of body is called as Tashreeh-ul-badan. So it is compared with the Modern Anatomy. Hence, in Tashreeh – we study the structure, size, shape, position, color and interrelation of its various organs/parts of body.
